THE CORPORATION OF THE DISTRICT OF KENT DEMOLITION PERMIT

Guidelines before you start

1. Ensure that you, or your contractor, have contacted BC Hydro, Fortis BC, Telus and Shaw Cable to have all services disconnected before you commence demolition.
2. Ensure that you or your contractor have disconnected and capped the water well.
3. Ensure that you or your contractor have contacted the District of Kent Public Works Department at 604-796-9005 and District of Kent Waste Water Treatment Plant at 604-796-9145 to confirm that the storm sewer and sanitary sewer have been disconnected and capped at the property line.
4. If you are on a private sewage disposal system (septic tank), the system must be pumped out and the tank removed.
5. Call for an inspection once the building(s) and all the concrete has been removed, but before backfilling.
6. Call for an inspection once the site has been left level and clean. At this time you may apply to have your security deposit returned.
7. Permit must be obtained prior to District Staff capping sewer lines. Permit may be purchased at Municipal Hall for \$375.00 (Bylaw 1451 "Schedule B") or
8. Permit must be obtained prior to District Staff capping water lines. Permit may be purchased at Municipal Hall for \$375.00 (Bylaw 1452 "Schedule B").
