

INTER-MUNICIPAL BUSINESS LICENCE PROGRAM

The District of Kent is participating in the Fraser Valley Inter-Municipal Business Licence (IMBL) Program effective **January 2016**.

An Inter-Municipal Business Licence allows eligible mobile businesses to operate in any of the participating municipalities listed below without having to obtain a separate Business Licence at each location.

Businesses eligible for an IMBL include trades contractors or other professionals (related to the construction industry) or a contractor who performs maintenance and/or repair of land and buildings from a location other than their business location.

The cost of the IMBL is **\$250** for the calendar year, and is in addition to your local municipality Business Licence fee.

For District of Kent mobile businesses interested in an IMBL, separate applications are available online or at the Municipal Hall and may be submitted and paid in the same manner as your regular Business Licence. For mobile businesses located outside of the District of Kent, you may purchase your IMBL from the municipality in which your business resides and in which you purchase your regular Business Licence.

Participating Municipalities:

City of Abbotsford	District of Hope	City of Maple Ridge	City of Surrey
