

# Kent 125<sup>th</sup> Anniversary Celebrations

April 23, 2020

**Agassiz, British Columbia** – As social gathering restrictions continue to remain in place, Council has made the difficult decision to postpone the Kent 125<sup>th</sup> Anniversary Celebrations until Summer of 2021 due to the COVID-19 pandemic.

“This is an important celebration to have and once things are better everyone is going to want to celebrate. Right now, is not the appropriate time,” stated Mayor Sylvia Pranger. Mayor Pranger is looking forward to celebrating as a strong and healthy community once COVID-19 passes.

Anyone who has registered and paid for the Homecoming Event will be fully refunded. District staff will contact participants to administer these refunds.

Information on the rescheduled events will be posted on the Kent 125 Anniversary Celebration webpage at <https://www.kentbc.ca/en/living-here/125-celebration.aspx>.
